Without prejudice except as to costs

Hi Jin,

Thank you, [REDACTED]

[REDACTED]

I like you Jin, but the two other recipients to this email in my opinion have not spent any time researching the applicable Court cases. Are they lazy and do not read?

I read a lot and when I am not reading, my PDF read aloud is talking to me Court cases when I am going for bike rides and bush walks. That is a bit of a hobby and obsession that I have gotten into which has been helpful to my work. Most lawyers I come up against are lacking the R in IRAC for relevant law, and the A for application of said relevant law. Lawyers that work in the employment jurisdiction in my opinion are incapable of dealing with matters that require the use of the human brain.

Regards,
